Experience

Jan 2022- Present
The Global View Res l Saudi Arabia - Makkah - Clock tower

IT Manager - Digital Marketing Manager

I worked in The Global View Restaurant, which is located in the Kingdom of Saudi Arabia, specifically in Makkah Al-Mukarramah, in the Great Mosque of Mecca, in the Clock Tower on the third floor, as a director of information technology and digital marketing. Electronic and also responsible for the designs and logos of the restaurant and its electronic marketing on social networking sites

2022 -2023
Asia Oasis for tourism l Saudi Arabia - Makkah

IT Manager - Social Media Manager

I have worked in the Asia Oasis Company for Tourism, Hotels, Hajj and Umrah Services, which is located in the Kingdom of Saudi Arabia specifically in Al-Sharif Yahya Tower as the Director of Information Technology and Director of Social Media. I am still working remotely as an account manager and as an employee assistant, as well as to solve his problems and respond to their inquiries

2018 - 2024
Freelancer l Upwork - Fiverr - Freelancer - Khamsat

Programmer - Designer - IT support

I have worked in designing logos, icons, covers, and common designs. I create very beautiful shapes and design them in a professional, elegant, and beautiful way to suit the required needs. I have worked in the field of programming, where I can design websites, desktop applications, and mobile devices. I also worked in the field of customer support, solving their problems, helping them with their technical problems, and others.
